

Seeking Expressions of Interest

The Kinship CARE Project is being implemented in partnership by Secure Start® and the Department for Child Protection.

The Project will offer training to 260 kinship carers from metropolitan and regional locations in the implementation of the CARE Model.

CARE stands for:

C	Consistency
A	Accessibility
R	Responsiveness
E	Emotional Connectedness

CARE offers simple and practical ideas and strategies for therapeutic parenting of children who have experienced relational trauma.

Kinship Care Support Workers and Psychologists who support them will also be trained in CARE. The Kinship CARE Project supports a common language.

Places are limited.

To register your interest email Georgina Johnson at: georgina@securestart.com.au

Or speak to your Kinship Care Support Worker.

For more information visit:

securestart.com.au/kinship-care-project-2018-19/

Training will be delivered by Colby Pearce, Clinical Psychologist, Author and Developer of therapeutic programmes.
